What are common complaints among employees? How are they addressed?

What areas of your business would you most like to improve and in what way?

On what specific area or concern would you especially like to concentrate during our time together?

Please draw a floor plan of your office building.

- Make the floor plan as close to scale as possible;
- Label each room (offices, cubicles, lunchroom, etc.);
- Label North, South, East and West;
- Be as accurate as possible with the floor plan and compass directions.

Thank you for taking the time to complete this questionnaire. Please email the completed questionnaire with your floor plan at least 48 hours prior to your appointment: info@joinamandasophia.com.

We will be working with your office/business space to nourish, replenish, and empower positive thoughts, affirmations, and goals. Please spend some time clearing out any accumulated clutter before our appointment; let go of anything that is not functional. The more thoroughly you do this, the better the results you will achieve in creating the energy you want for your business. I look forward to our time together.

Please note: The fee for a Commercial Consultation is \$325 per hour with a two-hour minimum. Payment is due at the conclusion of your appointment. 24 hours' notice is required for cancellation; any cancellations within 24 hours before a scheduled appointment will incur a \$100 fee.

All information you provide will be held in the strictest of confidence. The International Feng Shui School, Amanda Sophia, and her other consultants serve as a reference and guide for Feng Shui; their services and consultations are not intended as a substitute for the care of a licensed medical provider.
