

# FENG SHUI MASTER CERTIFICATION

Shift your space. Uplift your life.

The International Feng Shui School offers two online training levels: ***Feng Shui Your Life*** and ***Feng Shui Master Certification***.

In the first one, you will learn the ancient art of Feng Shui to transform your personal space, yourself, and your life. Connect to energy, intuition, and self-love. Experience the life-changing magic of Feng Shui in your family, home, health, finances, and career.

Continue to the second level of mastery and begin a career as a Feng Shui consultant. Deepen your understanding of these timeless teachings and become a guide for others – share your light with the world!

Upgrading to the ***Feng Shui Master Certification*** prepares you to start a career as an internationally certified Feng Shui consultant. You will go deeper into Feng Shui's wisdom and get the tools to work with businesses and set up your consulting practice. Help companies and corporations boost morale, productivity, and profits. Learn to support your clients while protecting your energy. Step into your power and your form of leadership and learn how to facilitate workshops, circles, meditations, journeys, and more. Fully embody the art and science of Feng Shui by sharing it with others.

Each training is composed of modules presented in the form of audio, video, and/or downloadable documents as detailed in the following pages. When you upgrade to the Feng Shui Master Certification, you still cover all the Feng Shui Your Life modules.
